

# HIGH FIVES & LITTLE KICKERS MASTERCLASS

Welcome to the Smallprint Love Letters Masterclass where we aim to make ordering Smallprint Mini High Fives or Little Kickers as straightforward as possible.

Here are a few simple guidelines to make sure the prints we receive from you can be showcased on our range of jewellery.

## EXISTING PRINTS

If your child is older, but you have some prints taken when they were a baby, you can photocopy these in black and white and submit them to be made into a piece of jewellery.

## TAKING PRINTS YOURSELF

Download the Printing-taking Kit Order Form and return with a cheque for £5. This charge is per kit, so if you are ordering two kits please enclose a cheque for £10. (This amount will be deducted from your final order).

Your Print-Taking Kit will consist of the following:

- 1 Detailed instructions on how to take the prints.
- 2 An inkless wipe (used in hospitals in the US for identifying newborn babies, so perfectly safe for your child).
- 3 Specially coated identifier paper on which to take prints.
- 4 Details of where to return your print to.

## HOW TO SUBMIT YOUR CHILD'S PRINTS

1. Download an order form and fill in all relevant sections.
2. Send the form along with your child's prints to your nearest Smallprint franchisee, along with your cheque made payable to her. Please add £5 post & packing for the return of your finished jewellery.

## HOW YOUR ORDER IS PROCESSED

1. Once we have received your prints, we will make sure it is suitable for the item of jewellery you have requested.
2. You will then receive a call or email to let you know we have received your order and to check all the details on your order form before proceeding.
3. Orders will usually take four weeks to process from date of receipt, however if you need your order sooner, please speak to us to see if we can accommodate you.
