

# LOVE LETTERS MASTERCLASS

Welcome to the Smallprint Love Letters Masterclass where we aim to make ordering Smallprint Mini Masters as straightforward as possible.

Here are a few simple guidelines to make sure the writing we receive from you can be showcased on our range of jewellery.

## WHAT WORKS

- ✍ Firm black or dark blue writing.
- ✍ Names and short messages - I love Daddy, or I love Grandma.

## WHAT DOESN'T WORK

- ✍ Long sentences will not fit on our jewellery.
- ✍ Feint lines or bright coloured writing will not reproduce.

## EXISTING WRITING

Even if your children are older, samples of early writing can be made into a Smallprint Love Letter. If they signed a Mother's or Father's Day card years ago, we can make that into a piece of jewellery for you. You would need to send a good quality black and white photocopy.

## BESPOKE WRITING

If you wish your child to write something especially to showcase on a Smallprint item of jewellery, simply send in their signature or short message, preferably written in black ink.

## HOW TO SUBMIT YOUR CHILD'S WRITING

1. Download an order form and fill in all relevant sections.
2. Send the form along with your child's writing to your nearest Smallprint franchisee, along with your cheque made payable to her. Please add £5 post & packing for the return of your finished jewellery.

## HOW YOUR ORDER IS PROCESSED

1. Once the writing has been received we will make sure it is suitable for the item of jewellery you have requested.
2. You will then receive a call or email to let you know we have received your order and to check all the details on your order form before proceeding.
3. Orders will usually take four weeks to process from date of receipt, however if you need your order sooner, please speak to us to see if we can accommodate you.
